NOTIFICATION

*New Delhi, the 29th May, 1981
8 Jyaishta, 1903 (Saka)*

S. O.....In exercise of the powers conferred by sub-section (4) of section 7 of the State Financial Corporation Act, 1951 (63 of 1951), the Central Government hereby notifies the Industrial Reconstruction Corporation of India Limited as a Financial Institution from which a Financial Corporation may borrow money.

K. P. PANDIAN,
*Under Secretary
to the Govt. of India.*

Extract of our letter No. 4233/1-80/81 dated 13th May, 1981 addressed to U P F C, H F C, R F C and G S F C.

Please refer to your letter No. dated

On the above subject, we accord our approval under section 7 (4) of the S F C s Act, to your Corporation availing the above line of credit subject to the following conditions:—

- (i) IRCI is notified by the Central Government as a financial institution for the purpose of the above section.
- (ii) The State Government nominate your Corporation as State level organisation for operation of the line of credit.
- (iii) The funds under the line of credit are utilised only for financing those units in the Corporations own portfolio which have gone sick and not the sick units with other financial institutions/banks etc.
- (iv) Your Corporation complies with the other provisions of the S F C s Act, 1951 such as security for the loan section 25 (2) limit of accommodation section. 26 (i) etc.

2. Please acknowledge receipt and note that pending notification of IRCI as a financial institution, the above line of credit should not be availed of.

SCHEME EVOLVED BY INDUSTRIAL RECONSTRUCTION CORPORATION OF INDIA LIMITED FOR EXTENDING ASSISTANCE TO THE SICK SMALL SCALE UNITS

Broad Principles:

- (a) Assistance may be extended to a State level Corporation which in the opinion of I. C. I. has the requisition competence to monitor the operations of sick units.
- (b) The scheme of revival and rehabilitation of one or more limited number of units in a related field may be prepared by the State level Corporation in prior consultation and association with the IRCI and the commercial bank concerned. The IRCI will extend such technical or other advice and assistance as may be necessary and possible.
- (c) IRCI render all possible advice and assistance to the State level Corporation in the course of

implementation of the scheme as may be necessary and possible.

- (d) In arriving at the share of financial assistance which the IRCI may agree to extend in respect of any such scheme. It should be a pre-condition that any past liabilities or irregularities pertaining to financial institutions or banks and not represented by corresponding assets, should be frozen. While the cash loss as projected in the revival scheme will form a part of the total assistance, the entrepreneur must undertake to bear additional cash loss, if any, incurred by the unit. The prior agreement of the commercial bank concerned to meet reasonable requirements of working capital, according to the agreed scheme should be obtained.

The flexibility of the scheme and the extent to which it differs from other conventional source of finance will be evident from the fact that loan assistance is made available to cover the following elements:—

- (i) Margin for additional working capital as projected in the agreed revival programme.
- (ii) Need based start up expenses to cover the restarting of closed units.
- (iii) Limited capital expenditure inclusive of the installation cost to finance balancing plant and equipment without any margin.
- (iv) Cash loss as projected in the scheme of revival.
- (v) The entire loan is presently provided at the rate of interest of 8.15% p. a. to the State level institution.

Terms and Conditions:

1. The loan will be made available to the State level Corporation by way of a line of credit to be drawn upon and disbursed to units as and when schemes of revival are accepted by all agencies involved. The loan disbursed will have the attribute of a direct term loan by the IRCI to the State level Corporation.

2. The State level Corporation will undertake to repay the loan to IRCI as per an agreed repayments schedule, without reference to their recoveries, which could be earlier or later.

3. The State level institution will be allowed a spread of 1 p. a. over the rates charged by IRCI i. e. 8.15% p. a. at present.

4. A general agreement to be executed between IRCI and the State level Corporation embodying the terms and conditions as set out above, will serve as the legal documentation to back up the line of credit.

General:

1. The State level Corporation may enter into such legal and security arrangements with individual assisted units as may be appropriate.

2. The State level Corporation will forward to IRCI periodic reports on the performance of the units and progress of the scheme, and periodic review meetings will be arranged.

3. The State level Corporation will ensure that a representative (s) at appropriate level from the commercial banks concerned joins the study team for appraisal, so that additional credits and concessions/reliefs projected in the schemes of revival are extended within a reasonable period, after obtaining necessary approvals from the appropriate levels.
